

Welcome to Folly Hill Infant School, in our opinion the most fantastic school in the world!

Folly Hill Infant School sits on the North side of Farnham and caters for children between the ages of 4-7. We are the smallest school in the area and as such our sense of community and family is one of our greatest strengths. All staff pride themselves on knowing all the children as individuals and work hard to meet their needs.

In our outstanding school we strive to recognise that children achieve in many ways and we therefore seek to enrich our curriculum by welcoming visitors, as well as exploring the environment both locally and further afield. Our trips and events include...

Donkey Farm, Visit to Farnham castle, Visits from animals, Little Free Library, Local Artist's studio, Winchester Science Museum, Pied Piper Theatre Group, Road safety Magic Man, Trip to the beach, Park visits, Summer Fair, Hale Carnival, Sports tournaments, Christmas Fair to name but a few.

We celebrate talents in assemblies and encourage children to recognise that there is 'only one you' and 'you are unique. Our values Thoughtful, explorers, awesome and motivated are discussed and reflected throughout all aspects of school life.

We love our school and are very proud of our achievements. We place great importance on learning and creating a learning community for children and adults, and as a highly inclusive school we make sure that everyone can succeed in a place where they feel safe, happy and well.

Children have a voice at our school. They are encouraged to help make decisions about changes and as part of this some children are chosen to be on the School Council after a full democratic election.

As a family, here at Folly Hill we work together as a TEAM (Thoughtful, Explorers, Awesome and Motivated, our school values), this includes children, staff, families, Academy Council, volunteers and other regular visitors.

Our Friends of Folly Hill (PTA) are a much-valued team of volunteers who help raise a lot of money for our school to which we are truly grateful. They have recently bought us a new child centred kitchen where the children are able to cook together as part of their learning.

Safeguarding children is of paramount importance to us. We take great care in making sure that our policies reflect our practice and procedures.

Folly Hill is a special place... well, we think so and we welcome you to visit and take a good look around.

We have an open-door policy, and you will always be welcome here. You are certain to get a feel for what we are all about as soon as you walk in!

So, come and see who we are and what we do!

We look forward to another brilliant year.

Ali Stone
