

Folly Hill Infant School Sports Premium Funding Report – July 16

What is Sports Funding?

As a Legacy of the London Olympics 2012, the government is providing additional funding of £150 million per annum for the academic years 2013 to 2016 to improve the provision of Physical Education (PE) and sport in primary schools. Indicators suggest that by 2014, 30% of children leaving primary school will be obese. The funding has been provided to promote and encourage children to participate in a range of physical activity both in and out of school in order to prevent these concerning statistics coming to fruition.

PE and Sport Premium funding has been provided jointly by the Department for Education, the Department for Health and Culture and the Department for Media and Sport. It has been allocated to primary school Headteachers and is ring-fenced, meaning that it can only be spent on the provision of PE and sport in schools. The Government believes that Headteachers and school leaders should decide how to use the funding for PE and Sports in school.

They are held accountable for the decisions they make through:

- The performance outcomes of all pupils compared with their peers
- The Ofsted inspection framework, under which inspectors focus on the attainment of pupil groups, in particular in those areas where specific funding has been provided
- The reports that schools are required to publish online for Parents All primary schools receive a lump sum of £8,000 plus £5 per pupil aged 5 or over on roll. Here at Folly Hill Infant School we aim to use the funding effectively to ensure that standards of learning and achievement in PE and Sports are raised, with all children, regardless of their background, engaging in physical activity as part of the curriculum and extra-curricular provision. PE and Sport Premium – School Allocation 2015/2016

OUR PHILOSOPHY

We believe that physical activity plays a vital part in developing physically and mentally strong young people. PE sessions are stimulating and challenging and they encourage children to develop positive attitudes and understand the conventions of fair play, honest competition and good sporting behaviour as individual participants, team members and spectators.

AIMS

We aim to:

- provide purposeful physical activity for all children
- develop physical confidence
- engage children in activities which develop cardiovascular health, flexibility, muscular strength and endurance
- teach children how their bodies change during exercise
- develop co-ordination
- teach children the importance of exercise as part of a healthy lifestyle
- make children aware of their physical potential
- encourage creativity through movement and dance
- teach children to work individually and co-operatively
- help develop personal qualities of commitment, fairness, enthusiasm and self-discipline
- promote enjoyment of all physical activities
- encourage safe practice at all times

Folly Hill received £ 8297 for the academic year 2015/2016

Action Plan 2015/16	Actions	Cost
Help all school staff to improve their professional skills in planning, teaching and assessing high quality physical activity.	<ul style="list-style-type: none"> - PE Co-ordinator to have one afternoon every half term to organise and arrange PE agenda, meetings, complete observations etc. - PE co-ordinator attended meetings and chaired the Weyside Confederation group - attended training - provide coaches to work with teachers on a unit of work - Tag rugby, hockey, cheerleading, handball and athletics 	Supply time £ 200 Babcock 4S PE leadership and training courses £603.50 plus cover in class £200 £1260 for all teaching staff to work with a coach on a unit of work during curriculum time
Provide children with a wide range of physical activities and experiences, both in and out of curriculum time, including a variety of after school clubs.	<ul style="list-style-type: none"> - The school will continue to offer a wide variety of after school clubs, with potential to change some of the summer term clubs depending on the children's interests. - The school offers gymnastics, boppin, football, tennis and club energy to which there is between a 6-15% uptake across the school. Next year we have to improve the uptake of children participating in after school clubs. - Events and festivals - A number of Children joined in a number of events this year from tag rugby to football to dance. We came 5th in the football - PE Co-ordinator to work with group of 8 children from Year 2 in September, in order to train them as Sports Leaders. - This did not happen and will be taken over by a TA for the next academic year. 	£900 Transport £250 TA supply cover £200
