

Folly Hill Infant School

KS1

As your child enters Key Stage One, the learning experience changes.

The Autumn Term when the children enter Year 1 is a transition between their foundation stage experience and the more formal approach of Key Stage One. English and Mathematics are taught as separate subjects and reinforced wherever possible. Other curriculum areas are taught through a themed approach (using Cornerstones), although each subject is planned separately.

Relevant cross-curricular activities are used to enrich, consolidate and extend learning and allow for transfer of skills
Please find below the over view of the Foundation Subjects in Year 1 (Sunshine) and Year 2 (Moonbeam)

YEAR 1- Sunshine								
Topic	Science	History	Geog	Art	DT	Computing	Role play	PSHE/Music/PE
Paws, Claws and Whiskers	Animals, classification and variation Mammals, birds and fish Pets		Big cat habitat Looking after our world	Mark making, pattern, collage, print, camouflage	Camouflage pop up picture Packaging design Tiger bread	Copy and paste pictures Add captions to pictures	Dear Zoo	Looking after pets Golden rules 'Sounds interesting ' Carnival of the Animals Enormous turnip dance. Gym. Games
Superheroes Christmas	Amazing senses	Guy Fawkes Remembrance Day Greta Thunberg Louis braille Simone Biles		Pop art	Healthy eating – fruit kebabs Make superhero kites Make stockings	Work processing Colour magic	Superhero scene The Stable	Music- the long and short of it Dance- Diwali, bonfire and fireworks, Night Before Christmas, the Nutcracker Gym. Games

Dinosaur Planet	Reptiles and amphibians Carnivore/herbivore	Dinosaurs! Mary Anning Fossils	Physical features	Clay dino Paper mache dino island Obs drawing of fossils Clay, plaster and playdough fossils	Make a felt dinosaur Dinosaur biscuits Hole punch and sewing dinosaurs	Drawing programme Daisy the dinosaur coding	Dino world	Music- feel the pulse Dance - snow world, Mary Anning, winter wonderland, Chinese New year Gym. Games
Moon Zoom	Materials Air propelled rockets	Yuri Gagarin Neil Armstrong Stephen Hawking Future space travel	Earth from space Aerial views	Marbling Printing	Sliding and spinning pictures Rock cakes Junk model space craft	Internet safety 'Alien' beebot Robots Programmable toys- algorithms and debugging	Space scene	Holst Planet Suite Music –taking off Dance – space, eggstravaganza Gym. Games
Splendid Skies Enchanted Wood	Seasons Use thermometers Collect weather data Plants		Weather report Seasons	Art with nature		Internet safety PowerPoint Finding and using images	Children's choice	Vivaldi Four Seasons Music- What's the score Dance – life in the rainforest, Jai Ho Gym. Games
Memory Box	Senses Human life cycle	Events from living memory Suitcase Toy Museum	Local Study	Self portrait	Sandwiches Make a wooden memory box	Word processing	Children's choice	All about me passports Music - rain rain go away Dance – time Gym. Games

YEAR 2 Moonbeam								
Topic	Science	History	Geog	Art	DT	Computing	Role play	Music PSHE/ PE
Scented Garden	Living things and their habitats plants	The Plague	Jungles	Observational drawing Flower pressing	Making healthy snacks	E Safety	Garden centre	The long and short of it Dilemmas
Muck, mess and mixture	Everyday materials	Great Fire of London	Continents and oceans Cities London	Tints and tones	Make bread	Powerpoint presentation	Science lab Santa's workshop	Feel the pulse S afety around medicines
Street detectives	Identifying plants in the local area. Material-identifying and comparing	Florence Nightingale/ Mary Seacole	Fieldwork in the local area Human and physical features	Famous local artist Street art	Baking cakes Making models of towers bridges and castles	Google maps	Hospital	Sounds interesting Belonging to a community. Improving the local area
Bounce	Humans and animals Health and hygiene	The moon landing	Australia	Clay	Making vehicles	Coding	Space station	Taking off Teamwork Health and well-being
Towers Tunnels and Turrets	Use of everyday materials	Castles and castle life	Amazing structures around the world. Towers and bridges in the Uk. Cities around the world	Land art	Winding mechanisms	Present information	Castle	What's the score Health and growing
Beachcombers/ Land Ahoy!	Habitats- food chains Working scientifically	Titanic	Coastal features	collage	Sewing sea creatures	Using search engines E Safety powerpoint	Reading den	Rain, rain go away Moving on/ feeling positive
