Personal Development and Behaviour and Attitudes	Quality of Education	Early Years Education	Leadership and Management
<p>We strongly recognise the need for vigilant awareness of safeguarding issues; thus we continue to teach children to keep themselves safe from harm and to have the confidence to speak out. We endeavour to achieve for our children the aspirations to be lifelong learners, enjoy learning and become responsible citizens. Deepening their understanding of environmental issues</p>	<p>Our curriculum is exciting and innovative – always changing in accordance with research and the needs of our children, The school will continue to enhance the current curriculum and enthuse the children in deepening their knowledge, skills and understanding. We always challenge our thinking and strive to improve for the benefit of the children. We endeavour to ensure high quality learning for all our pupils, including the most disadvantaged, the most able and pupils with SEND.</p>	<p>Early years is the building blocks to future education – we believe passionately about learning through play, encouraging the children to develop independence, curiosity and excitement in learning.</p> <p>We offer excellent provision, through in the moment planning mixed with targeted activities to support individual abilities. We promote independence by ensuring our classroom is accessible and resources are readily available. We pride ourselves on our continuous provision with exciting enhancements that equally follow the children's interest and provide challenge.</p>	<p>As leaders of learning we believe it is important that all adults involved in in the school are accountable for the children’s welfare and safeguarding, behaviour and learning. We venture to have a positive impact on all pupils and the families to whom we serve</p>

- To support all in their wellbeing whilst at Folly Hill- children, staff, parents, and governors
- Experiential learning – through developing Folly Hill Skills Book to share at home and at school.
- To raise awareness of global issues through weekly focussed activities (Global Fridays).
- To review the current PSHE (Personal, Social and Health Education) and RSE (Relationships and Sex Education) teaching and learning provision along with the new statutory guidance (2020).
- To ensure our School Values and British Values are integrated into all areas of (school) life
- To embedding the excellent opportunities for outside learning, and continuous provision.
- The school will continue to enhance the current curriculum and enthuse the children in deepening their knowledge, skills and understanding
- Communicate our curriculum via the Schemes of learning and progression maps on the website and through regular emails to parents.
- To develop a new suit of assessment procedures for foundation subjects
- To further improve our provision of English and Maths with a focus on children achieving Greater Depth at the end of KS1
- To work with a variety of schools, ensuring outstanding quality continuous provision and developing the children’s positive characteristics of learning in EYFS
